WELCOME

From the headmaster

Last April, the seniors and a group of eager chaperones had the privilege of taking part in our yearly Grand Tour trip. One of our stops was Magdalen College in Oxford, where our tour guide pointed out two interesting sites that may have served as inspiration for the great C.S. Lewis: an old wooden door with the head of a faun staring ominously from each side of the door frame; and a series of lampposts mysteriously lining the ornate walkway. Whether or not these truly were fodder for Lewis in developing *The Chronicles of Narnia*, it made for a memorable tour!

What is not to like about a Narnia-themed auction? It features one of the stalwarts and apologists of the Christian faith, one of the greatest children's book series of all time, and a whimsical setting where children take part in a cosmic battle between good and evil. We can marvel at Lewis's creativity and bask in wonder at the stunning beauty of his magical setting.

We appreciate those who have contributed to make this evening possible. We welcome back the talents of John Curley as our auctioneer, with special thanks to Erik Day, parent and board member, for serving as our master of ceremonies. We are grateful for the work of our fundraising dynamic duo: Kyla Hatcher and Reyna Morris. With the assistance of Shannon Wilson, Stacey Sykes, and counsel of "Fundraising Emeritus" Cory Marshall, they have prepared a wonderful and entertaining evening.

Your support is directed specifically toward need-based financial aid. Your generosity allows even more families and students to take part in a Providence education that furthers a student's appreciation for the goodness and mercy of our God through Christ.

Gratefully in Christ,

A handwritten signature in black ink, appearing to read "R. Evans".

GAMES & SPECIAL PROGRAMS

Greenridge Landscape “Golden Ticket”

The Auction Committee is offering a raffle for the Grand Prize of one Live Auction item of the winner’s choice. Only 50 tickets will be sold beginning at 5:00 when registration opens. The winner will be drawn prior to the Live Auction. You must be present to win! The cost for a Greenridge “Golden Ticket” is \$100. Prize ~ Your Choice of Any Live Auction Item or \$1000 of Tuition Credit!!!

Isaac Parsons Real Estate “Golden Gift Card Envelopes”

Secondary students will be selling gold, treasure-laden envelopes throughout the evening for \$25 apiece. Each envelope contains a gift card valued between \$15 and \$50. You may take your envelope with you as soon as you choose it.

GAMES & SPECIAL PROGRAMS

Meydenbauer Dental Raffle Baskets

We have put together about a dozen unique and valuable themed baskets for this game. You can buy in for \$10 per ticket, or \$50 for 10. Then, place your tickets in the bins in front of the baskets you want to win and we'll draw a winner before the end of the night. You must be present to win. Winners will be announced at the end of the Live Auction!

Printing Plus "Wine Pull"

Try your hand at this traditional carnival style game. For \$25 you will be given the opportunity to select a numbered bag and "pull" the wine from it. Whichever bottle you pull, you keep. The values range from \$10-\$75 and everyone wins! Feel free to drink your bottle at the event, but please note there is a corkage fee.

Cleveland Street Mortgage "Heads or Tails" Cash Jackpot

Just before the Live Auction you will have the opportunity to participate in the Heads or Tails game. The prize will be a special Cash Jackpot Bid Card, with the monetary winnings preloaded on it. The winner will receive 50% of the amount paid into the game, up to \$1,000, to bid with tonight! Just raise your bid card and go on a spending spree. Be sure to listen for details throughout the evening. The fun of playing is worth the \$10 price, but the prize certainly sweetens the deal! The prize is valued up to \$1,000.

Here's how you play — just give your bidder number to the secondary students walking around with the game clipboard or pay to play on your mobile device. During the game you will place your hands on your head or your tail. The emcee will flip a coin. If it is heads, all with their hands on their heads will remain standing, and vice versa. This continues until the last one is standing. The prize is valued at \$1,000! The cost to play is \$10. Please note, no cash will be paid out; this is for auction scrip to be spent tonight on Live Auction items.

Slalom "Fund-A-Student"

During the Live Auction the emcee will announce that it is time for the Fund-A-Student portion of the evening. This is your chance to help Providence raise money for tuition for students that otherwise may not be able to attend the school. Fund-A-Student bid increments will be \$5,000, \$2,500, \$1,000, \$500, \$250, \$100, \$50, and \$25. Thank you in advance for donating to our financial aid fund!

AUCTION RULES

Silent Auction Mobile Bidding

All silent auction descriptions and images can be found using the Greater Giving mobile bidding platform. Bidding on these items opens on Wednesday, March 15th, and closes at the auction event on March 18th at approximately 7:20 pm.

Check-In

As you arrive, pick up your bid card as well as a list of additional items (if any) that have been added to the Live Auction. You will receive your table number as well. At this time, you can opt to register a credit card with “qcheck” for a faster check-out at the end of the night.

Day of the Auction

Silent Auction bidding has already opened online. There will be bid assistants on the concourse near the silent auction tables, as well as “leader boards” in the dining room scrolling through the silent auction items. You may place your bid on your own mobile device or with any bid assistant. If you are outbid and would like to raise your bid, either rebid on your device or with an assistant. Bidding will continue until the items close at 7:20pm (after seating for dinner). When the auction closes, the highest bid is a legal contract to purchase the item. There are silent auction items for every budget!

Live Auction

The Live Auction bidding will begin at approximately 7:30pm. When bidding, please hold your number toward the auctioneer. The winning bid is a legal contract to purchase the item.

Items

Bid amounts will not be split by cashiering among multiple bidders, unless specifically stated otherwise. The Auction Committee reserves the right to add or withdraw, without notice, items to or from the auction. Travel packages, unless otherwise noted, do not include airfare. There will be no refunds made on any item in the case that a mutually agreeable time is not met.

AUCTION RULES

Warranties

Providence has attempted to catalog and describe the property correctly, but all property is sold “as is.” Providence neither warrants nor represents and shall in no event be responsible for the correctness of descriptions, genuineness, authorship, provenance, or condition of the property. No statement contained in the catalog or made orally at the sale or elsewhere shall be deemed to be such a warranty, representation, or assumption of liability for tax purposes or for general value.

Time Limit

Unless otherwise stated, all items need to be redeemed within one year following the auction at a time mutually agreeable to the buyer and donor.

Payments

All sales are final and there will be no exchanges or refunds unless specified. All items and experiences must be paid for in full at the end of the evening. We can accept checks, Mastercard, Visa, or cash. Providence is a charitable organization and your payments may be tax deductible as a charitable contribution only to the extent provided by law. Remember to have your company match the portion you pay over the value of the item.

MONTELLO CUSTOM FLOORS CAIR PARAVEL CLASS PROJECT AUCTION

*"I'm not a dwarf! I'm a girl.
And actually I'm tallest in my class."
~ Lucy Pevensie*

We have created a special Silent Auction section for the projects that have been custom created by the grammar classes. We want parents and grandparents all over the country to be able to bid on these amazing handiworks! These students have joyfully labored to craft one-of-a-kind pieces with an individual “fingerprint” from each child. Be sure to check out your child’s project here in the catalog and follow the link at www.pccs.org/auction to bid.

Don’t forget, these are once-in-a-lifetime creations!

Note: You do not need to be a parent or grandparent to purchase a Class Project. If you really love a project, bid on it!

Bidding on these items will take place at the same time as the other silent auctions, opening on Wednesday, March 15th and closing the night of the auction, March 18th.

from Mrs. Hatcher's Third Grade Class

Here in Washington, we see the vastness and beauty of evergreen forests all around us. Our PNW landscape serves as the perfect backdrop in third grade, as students imagine Narnia and its snowy woods when they read through C.S. Lewis' *The Lion, The Witch and The Wardrobe*. Inspired by these magical forests all around us and in faraway make-believe lands, each student has designed and carved their own unique evergreen tree stamp, with all 22 compiled to create a whimsical, hand-stamped art piece for your home. Not only will you receive a 20x24 framed print, but you'll also take home a pair of mugs featuring the same artwork, local Woods Coffee, and a stationery set of notecards and envelopes to highlight the individual stamps created. 413 Wooden Rounds Wall Art

by Mrs. Martin's Sixth Grade Class

What is the chief end of man? According to Westminster Shorter Catechism, "Man's chief end is to glorify God and to enjoy Him forever." A great way to do this is to be fruitful. That is the theme of this project. This fantastic wall decor by Mrs. Martin's 6th Grade Class will serve as a stunningly beautiful reminder to produce good fruit.

The students were assigned one "fruit of the Holy Spirit" to work on in pairs. As you can see, they all worked on this project with diligence and excellence. The design and style of each slice vary, but they all still reflect the pyrographed verse on the larger central piece, which is, "This is to my Father's glory, that you bear much fruit, showing yourselves to be my disciples." John 15:8. The individual "fruits" were all original ideas by the students. Each slice is attached to a jute chord that hangs from a natural wood rod from the west coast of Washington.

Each slice is detachable from the rod. You can display all of them together as a masterpiece. You can reorganize the slices any time. You also have the option to divide each of them separately for smaller rooms or as a more personal décor. For example, when your kid graduates and is going to college, you want him to manage himself well and use his time, money, and energy wisely. You can let him bring the self-control slice with him! When he sees the slice hanging on his dorm wall, he will certainly remember the best wishes from family and a good reminder from our Father!

The fronts of the slices are coated to resist color fading and the back is cushioned with cork, so it protects your wall. The art piece comes with extra hardware and jute chords.

The big board the artwork is attached to now is just to help with the presentation. You can easily remove it when you bring it home.

Donor(s): Mrs. Martin's Sixth Grade Class

Value: \$200

414 Changing Seasons Serving Bowl

by Mrs. Letsche's Sixth Grade Class

Consider bidding on this beautifully handcrafted changing season serving bowl. Each leaf was created by the Sixth-Grade students in Mrs. Letsche's class, representing the transition from Grammar School to Secondary. This beautiful bowl is oven safe and was skillfully crafted over many days, taking several trips to the kiln.

Each crafted leaf has the imprint of your student's palm print pressed upon it. However, the finishing of this bowl required heavier glaze than anticipated. So, your students' individual palm prints are buried deep within each leaf. Even though we can't see them, we all know they're there.

This piece turned out so fabulous; it is extremely durable and will last for generations to come!

Learning to Read, Reading to Learn Bookshelf by Mrs. Koo's Kindergarten Class

Mrs. Koo's Kindergarten class presents your family with a three-part project that your growing family can use for years to come!

Learning to Read, Reading to Learn: Part 1

These rustic grey bookshelves are made with love from the kindergarten students for their younger siblings who are just starting to learn the joy of reading! The set of two wall-mounted 14" x 3" shelves has the ABC's painted in black on a light grey background, the first showing "A - M" and the second showing "N - Z." It comes with the following books, perfect for small children: Make Way for Ducklings, The Pout-Pout Fish, The Rhyme Bible Storybook, Indescribable for Little Ones, Corduroy, Muddle and Match Adventure, and Known: Psalm 139.

Learning to Read, Reading to Learn: Part 2

This colorful bookshelf and set of beginning reader books was made by our Kindergartners for their own ilk! Covered in a geometric, colorful pattern, this wall-mounted 25" x 4" bookshelf comes with several books for the earliest readers, including Duck in a Truck, Go Dog Go, The Gruffalo, A Giraffe and a Half, There is a Bird on Your Head, Are You Ready to Play Outside, and Elephants Cannot Dance.

Learning to Read, Reading to Learn: Part 3

This portable book organizer (called "magazine rack" by some with less imagination) was painted by our aspirational Kindergartners, as they dream of all the reading they'll be able to do very soon! The book organizer is painted black with a midnight sky, shooting stars, and swirling galaxies on one side, and the moon on the other. It is filled with books able to capture older readers and younger listeners alike, including Charlotte's Web, Winnie the Pooh, Iggy Peck Architect, Rosie Revere Engineer, You Are Mine, You Are Special, The Velveteen Rabbit, The Hat, The Mitten, The Snowy Nap, and Rechenka's Eggs.
